Please email to [elissa.then@interiored.com.au](mailto:elissa.then@interiored.com.au) along with these attachments:

\*Please attach images of style direction that you would like for your room transformation. Provide Pinterest board link if you have

\*Please attach images of existing space that we are going to design in, including any extra information on the physical state of the space

\*Please attach sketch of floor plan of existing space showing room dimensions and any fixed items that will be kept in the space - remember to mark any doors/entryways

\*Don't forget to measure height from the floor to the ceiling and any window heights from the sill to the top of the window

With more information given, our final designs will be accurate :)
